

FREE STANDING CUE RACK

hermelin
BILIARDI

The free-standing cue rack is a fusion of functionality and style, designed for billiards enthusiast. Its structure is composed of a base with two doors, offering ample internal space with a dedicated shelf for accessories, all enriched by elegant leather inserts. Customization is its main feature: there's the possibility of lacquering the furniture in any color, following the wide range of options in the RAL color chart.

The top is made of curved steel, equipped with a practical leather insert to ensure a touch of luxury and protect the cues. The satin steel fixing rod ensures order and practicality, while the satin steel plinth adds modernity and solidity.

The free-standing cue rack is not only a practical solution to organize billiard accessories, but also stands out as a design element, harmonizing functionality and aesthetics in a single handcrafted masterpiece. Thanks to its elegance and practicality it is an ideal furniture for any billiards enthusiast.

- Two-doors cabinet with internal shelf for accessories, finished with leather inserts.
- Lacquered upon client request, by choosing from our RAL color chart.
- Matte or glossy finishes upon client choice
- Curved steel moving floor with leather inserts, to organize balls and cues.
- Satin steel fixing rod.
- Satin steel base of the cabinet.
