

ARIA

Design by Giovanni Luca Ferreri

hermelin
BILIARDI

Designed with rounded, welcoming, and elegant shapes, it is a versatile and timeless table. Offered in a version with solid walnut sides, legs covered in leather with contrasting stitching, and details in satin bronze.

This billiard table lends itself to various combinations and finishes to seamlessly integrate into any interior setting, following the client's preferences.

The Aria billiard table easily transforms into a dining table by adding a divisible walnut wood top in 2, 3, or 4 pieces, depending on the table's size.

- Sides in solid Canaletto walnut (or other wood at customer's choice)
- Matt or glossy finish to customer choice.
- Leather covered legs at customer's choice.
- Satin bronze details on the legs.
- Colour cloth to customer choice.
- Baskets for collecting balls embedded in the sides of the pool table, with bronze finish and baskets covered in leather

The "Aria" model is available in the game version "American pool", in the following sizes of playing field:

- 200x100cm campo gioco (7 feet)
- 224x112cm campo gioco (8 feet)
- 254x127cm campo gioco (9 feet)

Other sizes available on request.
