

CASABLANCA

Hermelin biliardi per Andrea Zambelli Design

hermelin
BILIARDI

Characterized by a sculptural design, Casablanca billiard table stands out for the beauty of the white maple inlaid with olive trees inserts. Each side has been hand carved and alternates organic and geometric shapes to evoke and recreate desert dunes.

The truncated pyramid-shaped legs are made of maple with addition of hand-etched brass plates, and therefore different from each other. These unique shapes give the table a contemporary and dreamlike aesthetic.

- Two wood essences: fris  maple and olive in combination with acid-etched brass plates.
- Shiny shaded bronze details.
- Leg skirting in transparent plexiglass.
- Cloth colour to customer choice.
- Baskets for collecting balls embedded in the sides of the pool table, with shiny shaded bronze finish and covered in leather.

The "Casablanca" model is available in the game version "American Pool", in the following sizes of playing field:

- 200x100cm playing field (7 feet)
- 224x112cm playing field (8 feet)
- 254x127cm playing field (9 feet)

It is also available in the game version "English Snooker" and "Russian Pyramid", in the following sizes of playing field:

- 360x180cm playing field (12 feet)

Other sizes available on request.
